14 MAR 1985

Mr. William K. Parmenter

STAT

Dear Mr. Parmenter:

We are delighted that you have accepted [redacted] invitation to participate in one of the sessions of our Seminar on "Intelligence and National Security Policy: the Kennedy-Johnson Administrations." That session will meet on Thursday, 18 April 1985, from 5:00 to 7:30 p.m. in the DDI Conference Room and will be the third of four sessions on the subject. We are limiting the enrollment to a dozen Senior Intelligence Service Officers, mainly from the production components of the Agency. Enclosed, for your information, is the reading list which has been sent to each attendee.

STAT

We have invited Hal Saunders, formerly of the NSC Staff, to join with you in a discussion on the Intelligence Community's response to the Arab-Israeli War of 1967. We expect Mr. Saunders to lead off with a presentation on what the policymakers' needs were and how well the Intelligence Community served those needs. You, in turn, would then be asked to comment on the subject from the point of view of the production components. A discussion period will follow. Time permitting, [redacted] who will be chairing the Seminar, will also review the Liberty incident of 1967 and the Pueblo Crisis of 1968.

STAT

Mr. Saunders is aware of your participation and expects to hear from you so that the two of you may coordinate your presentations. He can be reached, when in the area, at the American Enterprise Institute, telephone number 862-5942.

To allow enough time, you should plan to be at Headquarters Building by 4:30. We will have Security alert the guard at Route 123 that you will be arriving about that time and will request that he direct you to the VIP Parking Lot. A member of our staff will meet you in the Reception Office and accompany you to the DDI Conference Room.

You will receive an honorarium of \$175.00 for your time and expense.

STAT

If you have any further questions, please call [redacted]
[redacted] Again, thank you for
agreeing to participate in our Seminar.

STAT

Sincerely,

STAT
